Reviews

The book is fantastic and great. I have got read through and i am confident that i will planning to read yet again once again in the foreseeable future. I found out this book from my dad and i recommended this publication to discover.

(Prof. Nicole Zieme)

OCTOPUS: THE SECRET MARKET AND THE WORLD'S WILDEST CON

Oneworld Publications. Paperback. Book Condition: new. BRAND NEW, Octopus: The Secret Market and the World's Wildest Con, Guy Lawson, Octopus is a real-life thriller that tells the inside story of a GBP300 million hedge fund fraud and the wild-goose chase through Europe by its drug-fuelled manager for a lucrative "secret market" beneath the financial market we all know. Sam Israel was a man who seemed to have it all. Born into one of the world's richest families, he founded his own hedge fund, promising his investors guaranteed profits. But, after suffering devastating losses and faking tax returns, Israel knew his real performance would soon be discovered. So when a former CIA-operative turned conman told him about a "secret market" run by the Federal Reserve, Israel bet his last \$150 million of other people's money on a chance to make it all back. So began his crazy year-long adventure in a world populated by clandestine bankers, conspiracy theories, and gun-toting spooks issuing cryptic warnings about a mysterious cabal known only as the Octopus.
