# The World's Richest Indian: The Scandal over Jackson Barnett's Oil Fortune

Filesize: 8.18 MB

Reviews

Complete manual! Its such a great study. It really is writter in straightforward phrases rather than hard to understand. You are going to like the way the article writer create this publication.
(Ike Fadel)

THE WORLD'S RICHEST INDIAN: THE SCANDAL OVER JACKSON BARNETT'S OIL FORTUNE

Oxford University Press, 2005. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "An astounding tale, brilliantly told, of one man's simple dignity caught up in a hurricane of greed and chicanery."-- Mike Davis, author of Dead Cities and Other Tales"A historical tour-de-force that dramatically and depressingly shows how a confluence of law, racial attitudes, scheming individuals, and bureaucratic institutions devastated the considerable rights and resources of Jackson Barnett, a Creek Nation citizen, and by extension the rights of other similarly situated indigenous people. Thorne's lucid account is a worthy and timely successor to Angie Debo's And Still the Waters Run, a penetrating analysis ofthe systematic fraud and dispossession that was perpetuated on the citizens of the Five Civilized Tribes of Oklahoma by similar forces. Finally, this work graphically shows that oil-its exploration and exploitation--has long played a major role in indigenous politics as well as in national and internationalpolitics."--David E. Wilkins, University of Minnesota"For anyone interested in American Indians, this book is a must read about surviving cultural change for many traditionalists learning the ways of the white man in the early twentieth century."--Donald L. Fixico, University of Kansas"Not just the life story of Jackson Barnett, this is a story of the government's failure to meet its trust responsibility to protect 'restricted' or 'incompetent' Indians from those who preyed upon them and their oil-generated wealth. It is the story of the culture of greed that gripped early Oklahoma--a complex, sad, and sometimes ugly story, masterfully told."-Daniel F. Littlefield, Jr., University of Arkansas at Little Rock.
