By Dan Steel

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Atheism is a subject that draws a lot of controversy into today's society. People are now starting to doubt the existence of God because of all the advancements in modern science and technology that explain many of life's questions. With that being said, there is still a lot of confusion out there about atheism and what its belief system actually is. The only thing that people seem to know is that it is the disbelief in God, but it actually goes much deeper than that. In fact, there are different types of atheists who don't all act the same way about their disbelief. Some of them are open to new scientific evidence that proves them wrong while others are simply determined to not believe in God no matter what. In this book you will not only learn about the general concept of atheism and its effect on the world, but you will also learn about the different types of atheists as well. Religious followers tend to think of atheists as devil worshippers and other nonsensical...
