Brand New Book ***** Print on Demand *****.Sometimes a little PERSPECTIVE can turn everything around. This book seeks to provide just that, offering a unique vantage point to examine a number of societal ills. Perspective - The Anthology is a journey which begins at the discovery of written expression and makes its way through a variety of subjects. With entries like Frozen Youth, Illicit Escape and Mismatched Expectations, this book seeks to encourage discussion and a greater awareness about some of the problems which eat away at our society's foundation. It is meant to be fun, creative and thought-provoking, while delving into subject matters in ways meant to promote inspection, reflection and hopefully, restoration. This book also aims to empower readers with a greater understanding of issues facing our homes, relationships and communities. It is hoped that this will, in some way, help heal our hurting world.
