Resource Publications (CA), United States, 2015. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Pastor Payne Donovan was weary to the bone. He often wondered if he made any difference in people s lives or if his church had any impact on the world around him. In the midst of Payne s despair, George Carlson, head of a genetic laboratory called SarkiSystems, offers hope to revive and embolden Payne s ministry by a merging of faith and technology. Dazzled by George s charisma, Payne agrees to go to a meeting and soon finds himself deeply entangled in a plan to revive the faith of the world. But the more Payne invests in the plan, the more broken his family becomes. Pastor Donovan must let go of the hope that SarkiSystems offers in order to find healing for his family and true hope for the world. Stephen W. Robbins is the founder and president of RobbinsNest Ministries--a non-profit organization that exists to advance Christian spiritual formation in pastors and churches around the world. He also co-pastors Rivera First Baptist Church in Southern California and is the author of Transforming Habits: Spiritual Guidance through the Sermon on the Mount (Wipf Stock, 2009) and Transforming Beliefs: Spiritual Guidance through the Apostles Creed (Wipf Stock, 2006).
