Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.Pursuant to a congressional request, GAO reviewed the Civil Reserve Air Fleet (CRAF) program, focusing on: (1) the government and commercial carriers perspectives on the first activation of CRAF; and (2) changes to the CRAF program that reflect the Department of Defense s force restructuring. GAO found that: (1) CRAF is an important but inexpensive component of the Air Force s airlift capability; (2) CRAF can provide over 30 percent of the Air Force s cargo airlift capability and over 90 percent of passenger airlift capability; (3) the government does not incur the costs of acquiring and supporting a larger fleet due to the program; (4) CRAF played a significant role in Operations Desert Shield/Storm and is expected to be a major part of the Air Force s airlift capability in the future; (5) many commercial carriers identified problems with the program and suggested that they would reduce participation unless changes were made; and (6) the Air Force and commercial carriers are working to resolve many concerns in negotiations for the next series of CRAF contracts.
