Brand New Book ***** Print on Demand *****.Seven years after the grid down catastrophe known as the Great Reset plunged the world into a literal Dark Age, a new generation of survivors begin to take over the Fortress Farms. While food is no longer a daily struggle, even more sinister dangers are beginning to appear. Alex and Rebekah Hamilton have taken office as Founder of the Republic, tasked with keeping their homeland safe from larger and stronger empires rising from the ashes of North America. With the help of their families, and the concrete and steel backbones of the Fortress Farms, Alex and Rebekah must decide what the future holds for the fledgling Red Hawk Republic. Will the Red Hawks create a benevolent feudal system like their allies in the city of ARK? Should they use the amazing machines created by the Wizard engineering group to expand their territory and counter their hated rival, Colonel Walsh's New America? Or can they finally achieve the dream of their parents, a true republic that ensures the right of the common person to choose their own destiny in peace.
