

Rewire Your Brain for Love: Creating Vibrant Relationships Using the Science of Mindfulness

By Marsha Lucas

Hay House. Hardcover. Book Condition: New. Hardcover. 201 pages. Dimensions: 9.0in. x 6.2in. x 0.9in. In *Rewire Your Brain for Love*, neuropsychologist Marsha Lucas brings together neuroscience and mindfulness meditation in an exciting program to help readers create and sustain better, healthier, juicier romantic relationships. With a passion for neuroscience and the ability to relay it in a clear, unintimidating -- and entertaining -- manner, Lucas delves into how the human brain works in relationships, exploring the neurological connections that fuel our reactions. In an inviting and reassuring tone, she describes how we developed our current relationship wiring and how to modify it through mindfulness meditation. Focusing on seven high-voltage benefits -- including everything from being able to better manage your reactions, to improved communication with yourself and others, to an enhanced ability to handle fear -- Lucas shows how a short daily meditation practice can change the way you interact with everyone around you . . . especially those closest to you. Each chapter focuses on one benefit, including an in-depth description of exactly what that benefit is and how it will improve the readers life. She looks at the science and research associated with mindfulness meditation in relation to...
