Brand New Book ***** Print on Demand *****.Excerpt from Songs in the Night: A Memorial Volume This book is like a half-opened rose, plucked before reaching its maturity of fragrance and beauty. The author had planned a much larger volume, intending to put into it much more of thought and labor before presenting it to the public, But God s finger touched her and she slept. Many of the poems have been recited by her in lecture tours through Iowa as State Organizer of the Loyal Temperance Legion. Many friends have expressed their desire to secure the poems in this permanent form, and doubtless many more of her co-workers in the Woman s Christian Temperance Union, and other persons who have known the author and loved her for her work, and have enjoyed and admired her poems as she has recited them, will be glad of the opportunity of securing this memorial volume. The poems are placed before the public with the hope that their merit will secure for them the approval that they received in their recitation. The author was very sensitive with reference to any effort she made, and, if living, would ask for kindly criticism of these children of her mind. Many of the poems were not in the finished form in which the author intended to place them. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
