By John Girdwood

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Tube Teeth and Porcelain Rods A Large part of the subject-matter of this book has appeared in a series of papers contributed to the Dental Cosmos during 1914-15; and the amount of interest which has been shown in the methods and ideas which were brought forward appears to offer sufficient justification for presenting them in more permanent form. A great deal of new matter has been added, and all the papers have been rearranged in order to simplify the presentation of the subject; but an exception to this will be found in the Introductory Chapter, on which few alterations have been made, and which sets forth some of the principal reasons which have caused the book to be written. There are others, which need not be enumerated here, but which will be apparent to those who are sufficiently interested to follow the text. The literature dealing with the subject of Prosthetic Dentistry grows rapidly, more especially that part which deals with the subject of crown and bridge work, but a study of the most recent...
