

Society in Prehistory Pb

By Megarry

New York University Press, United States, 1996. Book. Book Condition: New. New.. 235 x 157 mm. Language: English . Brand New Book ***** Print on Demand *****.Reveals a profound understanding of evolutionary biology, and an excellent up-to-date knowledge of human evolution studies. It is not only very well done, but it is written from a novel point of view. It needs to be very widely read and I hope that it will be. Megarry is doing his subject a great service. --Bernard Campbell University of California Social scientists have tended to neglect prehistory in their approach to human societies. Tim Megarry's lucid and authoritative book remedies this neglect. It will be of great value to students of anthropology, psychology, and sociology. --Paul Hirst Birkbeck College, University of London Stressing the importance of culture as a formative agent in the evolutionary emergence of modern humans, *Society in Prehistory* provides an impressive, interdisciplinary, and deeply informed survey of prehistory. Individual chapters focus on culture and evolution; biology and culture; primate societies; the first hominids; tools and culture; the economics of foraging; modern humans and human behavior; sex and the division of labor; and sexuality and social life. The book reveals that, while social...
