Createspace, United States, 2014. Paperback. Book Condition: New. Betty Jo Martin (illustrator). 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For some, the Bible can be an intimidating book to dig into. Its pages reveal a history of days past, with practical application for the here and now. Every word inspired by God Himself, penned by the hands of mere mortals. It contains stories, not of super-human people with amazing powers or special abilities that no one can possibly measure up too, but of real people. Just like us. Human beings who were lost and without hope until a Savior was sent to shed His blood on a tree. Chris Martin has written I Was There in such a way that it has the potential to impact everyone from the most seasoned theologian, to the lonely teenager sitting in the back of a Sunday service. Each story is presented from a perspective of the main character, giving insight into their deepest feelings and emotions. You don t merely read the shocking story of Abraham about to sacrifice his only son on the altar, but you experience the immense pain of that call on his faith. You aren t left to merely observe the birth of Jesus in that manger two thousand years ago, but you join hearts and minds with a bewildered girl, barely more than a child, as she delivers our salvation. No longer just one of the crowd looking in scorn on the broken woman washing Jesus feet with her tears, or the woman taken in adultery and waiting to see her stoned to death, Martin allows the reader to see with their own eyes the forgiveness poured onto them by Jesus. Not content with allowing you to only pity the widow...
