

Passenger Terminals and Trains (Classic Reprint) (Paperback)

Filesize: 5.98 MB

Reviews

Most of these ebook is the perfect publication accessible. It is writter in easy terms and not difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Anastasia Kihn)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Passenger Terminals and Trains Following the publication and kindly reception of Freight Terminals and Trains (1912), suggestions were made that the whole field of terminal and train operation should be covered by the compilation of a companion work treating similarly of the passenger service. The author's efforts to cover a field heretofore not specifically treated, have resulted in the following pages. The general plan of Freight Terminals and Trains has been followed. While there must be some interlocking of allied branches, duplication has been avoided wherever practicable, and the work arranged with a view to producing two companion volumes covering the operation of freight- and passenger-train service, the design, construction and maintenance of terminals and accessories, with a discussion of the plans of organization and operating methods co-incident thereto. To describe all existing passenger terminals was, of course, out of the question. It has been the aim, therefore, to include only such descriptions, views and plans as embody typical or unique features, possessing educational value. Consequently, some of the larger and more important terminals have been omitted while others of seemingly less importance have been included. In a field where there is such a diversity of opinion and practice, and where standard practice is yet to be established, it has seemed advisable to include all possible information and to quote freely from the published views of experts, both those in confirmation of and those conflicting with the views of the author. In most instances acknowledgment is made in the text. The author's appreciative gratitude is due particularly to the Railway Age Gazette; and also to Engineering News; the Engineering Record; the Railway Review;...
