IN HIS TIME (PAPERBACK)

Newvent Enterprises, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In His Time is an inspiring fictional story of two churches in a southern Texas town on two different sides of the proverbial tracks. Each is experiencing growth and each has something to learn from the other. The deeply contrasting characters will expose the sharp differences that still exist between the haves and the have-nots in America today. Their intertwining stories will give you hope that, as a nation, we can overcome cultural and economic differences and still thrive. A very thought-provoking subplot speaks to prophecies for the future of the Middle East. The cloud was moving southward to Syria and as it arrived at the border of Syria, there was a great explosion and out of the explosion came an army of men, of tanks, planes and weapons of war. To the west in the Great Sea, were many ships, battleships. The air space over Israel and the adjoining countries were immediately taken up with planes of various nations. The land of Israel was like a beehive. It was swarming with soldiers. The Author also shares his views on the issue of political correctness in the church today. When the church becomes ambiguous and lukewarm, increased Apostasy will be the end result. Supposed believers acquiesce and aid the agendas of political leaders whose views and beliefs are quite contrary to their once held Biblical truths. The well respected Biblical reference book, Clarke s Commentary, states it best, A dereliction of the essential principles of religious truth - either a total abandonment of Christianity itself, or such a corruption of its doctrines as renders the whole system completely inefficient to salvation.
