Not long after high school, I would marry the first woman who would have me, although she wasn t my first choice. She may or may not have known that but she was with child and it was mine and I never once entertained the idea that I didn t have to do this. Having known so little of love, it was easy to embrace the whole situation and I felt I was more than ready. Aside from the fact that she was pregnant, I don t know that Wannabe Wife had any other reason to agree to the union....
