African Americans in the Colonial Era: from African Origins Through the American Revolution (3rd Revised edition)

By Donald R. Wright

Harlan Davidson Inc. Paperback. Book Condition: new. BRAND NEW, African Americans in the Colonial Era: from African Origins Through the American Revolution (3rd Revised edition), Donald R. Wright, Over recent decades few topics of American history have been subject to greater attention and more thorough revision than African Americans in colonial times. Acclaimed works by leading scholars, relying on new bodies of evidence and writing from a fresh, Atlantic perspective, have provided a broadened, more nuanced view of the topic. In this third edition of one of the most popular books in our American History Series, Donald Wright works new interpretations into a narrative that provides a clear understanding of the scope and nature of the early African-American experience. Included are discussions of African Americans African origins; the Atlantic slave trade, based on the latest data from an on-line Trans-Atlantic Slave Trade Database; the origins of slavery and race-based prejudice in the mainland colonies; the evolutionary formation of African-American culture; and the effects of the American Revolution on men and women of African descent, at the time and long thereafter. This third edition views African Americans in the British North-American mainland colonies more as their contemporaries did: as persons from...
