Salvation is based on belief in Jesus and this comes through conviction of the Holy Spirit. So it is possible to believe in Jesus and yet not understand what the gospel is all about. In our Sunday schools, majority of the children are from Christian homes. At one time or the other, these children have answered an altar call at least once. Most children who are saved do not understand what exactly happened to them (even some adults don t). Yet that does not make their salvation any less genuine. Believe in Jesus curriculum is created to help these saved children know the process of salvation and instill an assurance of salvation in them. For the unsaved children, the hope is that the Holy Spirit will use it to bring conviction to their heart and they will accept the saving grace found only in Jesus. Believe in Jesus curriculum is made up of 13 lessons on the problem of sin, God s solution, invitation and response, and assurance of salvation. Believe in Jesus Preschool Teacher s Manual is a great resource to use to teach children ages from 3-5 years old about salvation.
