It is meant to inspire, uplift, rejuvenate, and remind us that the work we are doing is for the Lord. Every challenge, every child, and every success should be lifted up to the Lord. This study is designed to be completed over a 6 week period. Each week opens with a teaching lesson and is followed by five days of homework. The curriculum is designed to remind educators that our job is indeed a calling and despite what we have been led to believe, we need to take God to school with us everyday. The study can be done with or without the teaching lessons.
