Infinity Publishing. Hardcover. Book Condition: New. Hardcover. 42 pages. Dimensions: 11.1in. x 8.5in. x 0.4in. Santana: A Life in Quanta explores a variety of Carlos Santanas compositions and through word, picture and scientific equations it links each stage of his life to an aspect of Quantum Physics. It does so through visual explorations, which contain word, picture and scientific equations. In both fields of Music and Physics, there is a wonderful and remarkable order; a divine pattern that although expressed in different projected spectrums, are one of the same. This work explores the boundaries between the two fields and studies the possible connections that could be made through shapes, patterns and concepts. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
