Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When you finally make the time for a vacation, you don't have the time to waste searching through websites for things to do and places to eat. You don't have the time to waste on a bad meal or an activity no one will enjoy. On your next vacation, use this guide to Las Vegas, Nevada to find activities and eateries that are well worth making the time and money for. This guide book (and others in the series) will give you some fun and economical places to visit. Many of them will be places you might have heard of, but I always try to visit the out of the way, and forgotten spots, too. The other half of the book will highlight on places to eat. My top focus is on delicious eats, but ambiance will come a close second. I will also include a bit of history and some fun trivia. If you're going to Vegas for the first time, or the only time to hit a bucket list, these are the attractions, events, and food experiences you should take home with you. This print book makes the perfect travel companion--it's slim enough to slip inside your luggage, purse, or pocket. And, there are some extra pages at the end to record your own adventures. The Kindle version can be downloaded to your device and read on the go. Plus, it has links to the locations in the book for your convenience.
