Robertson Publishing, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English Brand New Book ***** Print on Demand *****. Traveling Around the World More Than Two Decades and Still Going! James Sullivan began traveling the world in 1986, and hasn't stopped since. Thanks to this wanderlust, he eventually traveled his way to (and through!) all seven continents and 146 countries. James used every form of transportation that was available, and was usually accompanied by his wife Diane. When telling others of these travels, he received quite a few comments pertaining to his use of wit, descriptions and hyperbole. Thus was born one of those decisions that just seemed to make itself; write these stories down! He did, and began calling himself El Vago (The Bum in Spanish) in all correspondence and stories thereafter. El Vago: A Vagabond Travels Around the World is the result of those travels with stories told by James in his own colorful, interesting and extremely personal style. About the author: James Sullivan is currently living in Ho Chi Minh City, Vietnam. He has four adult children, 11 grandchildren and two great-grandchildren. His most recent employment has been as a counselor and consultant. Even though James is now 77 years-old he hasn't hung up his flying carpet quite yet!.
