THE STORY HOUR

Harper/QPB. 1 Paperback(s), 2014. soft. Book Condition: New. From the "perceptive and piercing" author (NYTBR) of *The World We Found* and *The Space Between Us*, this is a heartbreakingly honest novel about friendship and secrets, forgiveness and second chances. An experienced psychologist, Maggie knows to keep a distance from her patients. But when she meets a young Indian woman who tried to kill herself, her detachment disintegrates. Lakshmi is desperately lonely, trapped in a loveless marriage to a domineering man, and Maggie senses that she needs a friend more than a therapist. But crossing professional boundaries has its price: as Maggie and Lakshmi's relationship deepens, long-buried secrets emerge, shaking their faith in each other and forcing them to confront painful choices in their own lives."A taut, suspenseful page-turner with depth, heart, and psychological credibility whose believable and enduring characters ponder the meaning of friendship, the challenges of marriage, and the value of storytelling itself." *Boston Globe* "Explores cross-cultural friendships, troubled marriages, love, loss, and forgiveness with [the author's] characteristic wisdom, humor, and warmth. This satisfying, psychologically complex story will appeal to a wide range of readers. its characters are both smart and likable without being sentimental or idealized." *Library Journal* (starred review) 317.
