Summertime for David Stanhope means barbeques, bike riding, and being chased across dimensions by evil sorcerers. When David Stanhope and his sister Amanda unearthed a mysterious ruby in their familys attic last summer, it launched them on the adventure of a lifetime. Now, a year later, theyre back home, trying to lead normal lives. Until one day a knock at their door once again launches them into dangerous power struggles in the magical world of Abraxas. Two of their friends from Abraxas have been sent to warn the Stanhopes about a new threat. The followers of evil Adrian the Deceiver are continuing their former leaders quest to gather the five magical Stones of Abraxas that give their possessor total protection from harm. The Stanhopes ruby is one of the sought-after stones. Its clear that if the family remains in the nonmagical world, they will be defenseless if their enemies come for them.
