Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

DORY FANTASMAGORY

Penguin Books Ltd. Paperback / softback. Book Condition: new. BRAND NEW, Dory Fantasmagory, Abby Hanlon, Move over, Junie B. Jones and Ivy & Bean! Here comes a lovably energetic little sister with a BIG personality and an imagination to match! As the youngest in her family, Dory really wants attention, and more than anything she wants her brother and sister to play with her. But she's too much of a baby for them, so she's left to her own devices including her wild imagination and untiring energy. Her siblings may roll their eyes at her childish games, but Dory has lots of things to do: outsmarting the monsters all over the house, escaping from prison (aka time-out), and exacting revenge on her sister's favorite doll. And when they really need her, daring Dory will prove her bravery, and finally get exactly what she has been looking for. With plenty of pictures bursting with charm and character, this hilarious book about an irresistible rascal is the new must-read for the chapter book set."
