Agate Bolden. Paperback. Book Condition: New. Paperback. 256 pages. Author and essayist Kiese Laymon is one of the most unique, stirring, and insightful new voices in American social and cultural commentary. *How to Slowly Kill Yourself and Others in America* is a collection of his finest essays, touching on subjects diverse as family, race, violence, celebrity, music, writing, and coming of age in the rural Mississippi Gulf Coast. Much like Twain, Laymon's writing is steeped in controversial issues both private and public. From his biting critiques of race politics to revelations of his own internal struggles with American blackness, Laymon taps into an ongoing conversation that is played out consciously and subconsciously across all of our artistic, cultural, political, and economic...
